Modernization: Attention Inpatient Services Providers: Changes Regarding Patient Liability on Inpatient Claims

The Division of Health Care Financing and Policy (DHCFP) will implement a new, modernized Medicaid Management Information System (MMIS) on February 1, 2019. In preparation for the new MMIS, please be advised patient liability will only be deducted from provider types (PT) 16 (Intermediate Care Facilities for Individuals with Intellectual Disabilities / Public), 19 (Nursing Facility), 65 (Hospice, Long Term Care) and 68 (Intermediate Care Facilities for Individuals with Intellectual Disabilities / Private) claims. Whichever claim is received first in the system, i.e., PT 16, PT 19, PT 65 or PT 68, will have the patient liability deducted. Patient liability will no longer be deducted from any other type of inpatient claims.

If there are any questions, please do not hesitate to contact Nevada Medicaid.
